

WOMEN ONLY

# Sexual Addiction Recovery for Women

Sexual addiction is often misunderstood, minimized, or hidden in silence, but women struggle with it too. This group is a safe place to be real about your experiences, free of shame or judgment.

Led by two female therapists who specialize in addiction recovery, you'll find a space to unpack the impact of sexual addiction on your life and relationships, gain practical tools for healing, and build the support you need to move forward with strength.

## CONTENT INCLUDES:

- **Break the silence** around sexual addiction with women who truly understand.
- **Learn practical tools** to take back control and rebuild your life.
- **Heal relationships** and reduce the ripple effects of addiction.
- **Be supported by experts** who specialize in women's recovery.

**Leave shame at the door—  
this is a space for honesty  
and healing.**
